

Training Prices:

Due to a continued increase in overheads we have to increase class prices by 50p and private lessons by £3. This will be effective from Monday 18th November 2013.

Students who have trained with us for some time will be aware that this is the first price increase for over 10 years.

NB: Students will continue to receive 30 minutes free tuition on Mondays.

Direct Debit:

Phoenix Thai Boxing Club is moving into the 21st Century with their new gym membership!

We will be introducing a new Direct Debit scheme with Bronze, Silver, Gold and Platinum membership available for 3, 6, 9 or 12 months for hassle-free training!

The Benefits:

- Up to 26 free lessons per year!
- Easier to budget for lessons so no need to miss training before payday!
- Incentive to train - if you've paid you'll want to make the most of it!
- Easier class registration – just swipe and go!
- Tighter security, particularly for Under 16s that come to training alone

Cash-free payments will also protect against the increased number of counterfeit coins and bank notes received and the increase in cash-handling charges.
